Saturday – CHICAGO SYSTEM Format

Each player is given a point-quota, based on Course Handicap. Point-quota begins at 36 for a scratch golfer; and for example, would be 26 for a 10 handicapped golfer.

Points are scored as follows:	Bogey	+ 1 point
	Par	+ 2 points
	Birdie	+ 4 points
	Eagle	+ 8 points

Each golfer accumulates points against their individual quota. Quotas adjusted for Sunday round.

Based on each golfer's points accumulated during the Saturday round, your team point-quota for Sunday is adjusted by 50% of the difference between your team Saturday point-quota and your actual points accumulated during the Saturday round. For example, if your team point-quota for Saturday is 30 and your actual points accumulated during the round is 26 points; your adjusted team point-quota for Sunday is 28. (Adjusted by 50% of the difference between point-quota for Saturday, 30, and actual points accumulated, 26.)

Sunday - CHICAGO SYSTEM Format

Each golfer accumulates points against their individual quota.

The team (both players) whose point total for the 2 day competition most exceeds it point-quota (or comes closest to it), WINS !

HORSE RACE (Saturday; Approx. 2:30 PM)

All are encouraged to play; however, entry is limited to the first 32 teams to sign up and pay.

Teams will be solicited for interest in playing in the Horse Race in the same order as applications were received.

The Race will be a handicap race using 50% of team handicap and a "Scotch" format with best net score progressing, and the highest scores eliminated until a winner is determined. Chip-offs will be used to break ties. One quarter of the teams will start at Hole # 11, 14, 16 and 18. The two low teams from each group will return to Hole #16 and play in to determine winners.

Entry fee for the Horse Race will be \$50 per team. Winning teams will receive a share of the Horse Race Pool in cash. (Win/Show/Place/Qualify)
