

Shawn Brown

I've been a member at Lone Tree since 2003 and have served on the Board since 2011. My main interests and passion are around organizing fun, fair and competitive tournaments for our members to participate in. I have held several positions while serving on the Board; VP (2015), two terms as club President (2016 and 2021), Communications Director (since 2017), assistant Tournament Director and Match Play Director (since 2014).

2022 Board Opportunities

1. Continue serving as Communications Director
2. Continue serving as Match Play Director
3. Become more active configuring tournaments in Golf Genius and serving as tournament director to lessen the load from other directors.

Jay Gardner

I'm Jay Gardner and this is my 7th year in LTMGC. I retired last year after nearly 40 years working in Telecom and IT and so the last 2 seasons I've played a lot of golf at Lone Tree in the various weekly games as well as LTMGC tournaments. I thoroughly enjoy it and now that I have more time, I'm interested in serving the club more. Outside of golf, I spend a significant amount of time on technology still, via various home automation projects. I've been a big fan of the move to Golf Genius as I think it's automation has benefited us greatly. If elected to the board I'd like to attempt to find even more ways to automate &/or simplify our use of Golf Genius or other tools that help us sign up for tournaments, bet, and play golf. I think my technology background will help me determine how we might do some of those things. I also understand some of that automation has resulted in less socializing after rounds and I'd also be interested in looking at ways to try and bring some of that back. Thanks for your consideration.

Mark Gunther

I have been in the Lone Tree Men's club for about 12 years in total. We have the best men's club in the state and the Board does a great job of putting on fair and competitive tournaments for the membership. From my time in the club, I have realized that it takes a lot of volunteer hours from the Board members to run successful events and I wanted to lend a helping hand and assist in any way that I can.

Jim Juracka

Thank you and to the board in considering me to be part of the Lone Tree Men's Club board.

I've lived in Colorado since 1980 when I relocated from Chicago. I've been married for 25 years and have 2 daughters in their early 20's. I like to golf in the summer and ski in the winter.

After moving to Lone Tree in July of 2000 I was a member of the Saddle Rock/Murphy Creek Men's Club. I got to know Bill Regar through business in the mid-90's and Mike Lynch when we coached our daughter's basketball team together in late 2000's. After hearing numerous times from Bill and Mike to join the LTMC versus making the trek out to Aurora, I joined the LTMC in 2008.

In hindsight I should have joined the LTMC when I first moved into Lone Tree, it is by far the best run men's club of any that I know of in the state of Colorado.

I have admired and respected those who have been on the board and are on the board. So much has to be done behind the scenes to make the LTMC run flawlessly, and I want to help continue the long tradition of the men's club success.

There is an old cliché, if it's not broke don't fix it. For the LTMC it runs on all cylinders year after year, however I do have some ideas on how to make certain parts of it better.

I welcome the opportunity to be part of the board to work as a team to continue the tradition of the LTMC being the best men's club in Colorado.

Mike Anderson

It has been a pleasure to serve on the Board for the past 20 years. During that time I have been honored to serve in all leadership positions on the Board, including 3 terms as President of the Club. I have been an advocate for many initiatives over time to promote fair, fun, and competitive tournament golf experiences for all skill levels of competitors. I have a passion for the Member-Guest Tournament and the Tournament of Champions. If re-elected to the Board for another term I will continue to ensure that both those tournaments are organized to create opportunity for all members to invite family members, long time golfing buddies and business acquaintances to our premier Member-Guest Tournament and are recognized for season long outstanding golf performance in the TOC. I believe we have one of the best Men's Golf Clubs in Colorado, and I am thankful for the team of leaders that volunteer their time to plan and implement our schedule of tournaments each golf season.

Greg Lackey

I have been a member of Lone Tree Men's Group for 13 years. Having served on the board for the last 6 years. My responsibilities have been handling membership along with assisting wherever else needed. It

has been a great learning experience. Each and every board member I have worked with has had the ultimate goal of providing all of us with a great place to play competitive golf. I would be excited to serve another two years with your support.

Tim Steidle

I have been a member of Lone Tree Men's Club for nearly twenty years and now have more time to give back. I've been a member of a couple of other men's clubs in the past and none of them have been close to the quality and experience of Lone Tree and want to do my part to maintaining our club as one of the best in the state. Thanks for your vote!

Mike Lynch

I am excited to run for the Lone Tree Board of Directors for the 2022/23 seasons. I was on the BOD for 13 years and would like to have the opportunity to use that experience to continue to grow and improve the LTMGC as a premier Men's Golf Club. My goals for the next two years would be to enhance the golf experience along with making sure the event is competitive and enjoyable. Additionally, I would use my background and experience to continue to improve the Member/Guest, Member/Member, and Club Championship! These events are the cornerstone of the club, and although we are not a private golf club, we can make the golfing experience equal to any private club event in the region! I look forward to the possible opportunity to join the BOD again and would appreciate your support and vote!

Mike Morong

I am adding my name to the ballot for the Lone Tree Board of Directors again for the 22/23 season. I have been a member for 25+ years and have served on the board from 2002 - 2012. My years in the club and on the board in the past have given me the opportunity to see this club grow into one of if not the premier club in the western U.S. During my 10 years on the BOD, I had the opportunity to sit on many of the committees helping run all aspects of the club including one year as President. I believe that change on the board is extremely important. This allows other ideas and methods to be implemented all in the name of building a competitive environment in golf that is both fun for the membership as well as challenging within the game. It is a golf club first that is also a social club but the game of golf should always be first. I was fortunate enough to be involved in a format change to one of our best events, the Member/Guest which was a huge success. I would value the opportunity again to serve our members first and foremost. I would appreciate your vote to join this group for the upcoming 2 year term.
