

**Notice to players that have elected to play the Blue / Gold Combination tees in LTMGC events and other interested members**

This note is to make you all aware of the tee set up for our members that have elected to play from the Blue/Gold Combo tees in LTMGC tournaments so that everyone in the flight(s) are playing the correct tees on each hole and avoiding the penalties for playing from the wrong tees.

At this time we do not have specific tee markers for the Blue/Gold Combo tees. On some holes you will be playing from the Gold tees and on other holes you will be playing from the Blue tees. It is your responsibility to play the correct tees. The table below shows the tees you will be required to play from on each hole. The Blue/Gold Combo tees are also listed on the public scorecard for Lone Tree that is available in the pro shop. It would be a good idea to have one on hand for your reference since the tournament scorecards will most likely not be printed with colors on the cards by hole.

The penalty for playing from the wrong tees per the USGA is as follows:

General Penalty, (two penalty strokes) and the player must correct the mistake by playing a ball from inside the proper teeing area. If you do not correct the mistake, you are disqualified.

We do not want to penalize or DQ players so please pay attention to your tees on each hole.
