## AT THE LONE TREE CUP

*(Formerly the Tournament of Champions)*

The NEW NAME is just one of several exciting changes we've made to an event that is loved by many and now more accessible to all!

Enhancements to the event include:

- ❖ More tournaments and more participants in the playoff
- ❖ New points system modeled after the PGA FedEx tournament
- ❖ Playoff tournament starting stroke advantage

These enhancements will make the event more fun for everyone and for less than it costs to buy your foursome a round of drinks, you can be part of it! A \$25 event entry fee gives you the opportunity to have your friends raise a glass to you as a Lone Tree Cup champion. And if you find yourself in the winners circle, you can use some of your share of the possible \$5,625 prize fund to buy your foursome another round!

### Key Enhancements

Final playoff  
expanded from 16 to  
30 players

Points system change  
40% drop from 1st to  
2nd place

Playoff tournament  
stroke advantage  
based on final  
seeding, not points

Playoff moved from  
early Sept to Oct 1<sup>st</sup>  
(adding Match Play &  
2 more tournaments)
