

2024 Board Election Candidates Bios

Jeremy Schwab

I am submitting my name for consideration for the upcoming board election. I am a Colorado native, have been married to my wife Shelby for 23 years, have 2 daughters in college, a son at Chaparral, and live in Parker. I currently lead the Security Division for LINX LLLP, a low voltage integrator in the construction industry based in Denver.

Over the past 8 years I have been blessed to be part of this men's club. It has meant a tremendous amount to me personally.

My parents taught me from a very young age that it is important to serve in your chosen communities. And that is my primary motivation to be part of the LTMGC board.

This group means a lot to me and I would like to give back by serving the men I have come to enjoy and respect so much. I believe I will bring energy, passion and creativity to an already strong group. I believe we have an outstanding men's club, and I would like to invest myself to continue that tradition of excellence.

Respectfully,

Jeremy Schwab

Greg Gibb

I have been a member of the LTMGC for over 20 years, and feel that, not only is it time to commit my time and experience to serve our fantastic men's club, but I also feel that I have the enthusiasm, the ability to serve, and the open-mindedness to help our club continue to be the best in the state. As many of you know, I was one of the committee members that was instrumental in changing the format of our annual Member-Guest tournament back in 2019 and am extremely proud to be part of the committee this year that branded our tournament as The Gunslinger and making it a premier event for our members. From the new name to the new events, and even the new awards, it took dedication, and many hours of work from the committee to make this happen.

One thing I would like to push for is to have more "non-board members" involved in our tournaments and events throughout the year. I feel our membership could offer so much more, without having to make the commitment to be on the board. By setting up different committees, like we did with The Gunslinger, it would allow members to participate more in our club's events and enhance the experience for everyone.

I have known many of our members for years and am proud to be part of this outstanding club. It would be an honor to serve on our board of directors for the next term, and hopefully for many years to come.

Thank you!

Greg Gibb

Dean Asselborn

I joined the LTMGC in 2007 and have been a board member since 2016. For the past 6 years, I have served as the club's Treasurer. As Treasurer, I transitioned the processing of the club's receipts & disbursements (membership dues, match play, side pots, memberguest, member-member, Lone Tree Cup, payment of club bills, etc) from a largely manual process to a more efficient, mainly electronic transaction system. This change has resulted in a more timely, accurate and transparent receipt, payment and reporting system for the club. I understand that, as Treasurer, I have a fiduciary responsibility to the club and to its members. I have always taken that responsibility seriously - and I appreciate the trust that the club has shown in me over the years. I would be happy to serve on the board of this excellent golf club for another term and would appreciate your vote. Thank you for your consideration.

Bill Ross

I've been a member of LTMGC for nearly 30 years too and would be happy to give back wherever I can. I'm a pretty good communicator, know the rules of golf, can run financials, am Internet savvy (been in the software business for over 30 years) and I'm very reliable. I was on the LTMGC board and tournament chair for a couple of years many years ago so I have a good idea of the flow. I like to be part of the team but also I don't hesitate to question issues. I can run the GolfGenius software (do that in AZ) and would be able to help on the June-September tournaments, handicaps, dues, surveys, web site, communications or whatever when I'm in town. Remotely I can Zoom and Teams with the best of them and am willing to listen - sometimes. I can also provide a "senior" perspective. I've enjoyed serving the members and would love to continue.

Paul Pronsati

I have been a member of LTMGC since 2001 and a board member for almost 20 years. I don't know if my "sell by" date has expired yet. That's why we have elections. For the last several years, I have been the tournament chairman, and my focus has been to enhance the use of Golf Genius to make our tournaments run more efficiently for the tournament directors and to provide and improved user experience for our members. Additionally, I have developed the Excel based tools that allow us to run cashless side pots which saves a ton of time on tournament days. At this point, being tournament chairman is my only real goal in running for the board.

Randy Gaddis

I have been a member of the Lone Tree Men's Golf Club since 1996. I have served our membership on the Board of Directors since 2015 and I have enjoyed every minute of my time and would like to continue serving on the Board. During my time on the BOD I have served as President (4 times), Vice President and Secretary. One reason we get to play competitive golf in one of the best men's clubs in Colorado is because of the 12 volunteer board members. One of the biggest changes to our tournaments over my years on the BOD is the implementation of Golf Genius for our scoring. This allows the BOD to run more

efficient tournaments. If re-elected to the Board I will continue to serve the LTMGC membership by running fair and competitive golf tournaments. Thank you.

Ray Kelley

I have been a member of LTMGC since 2006 and a LTMGC board member for 2 years. I have Captained the Interclub the last 2 years and was the VP for the 2022 season. I ran for the 2020-21 Board to get one of the sweet Board shirts and ended up learning a lot from the existing dedicated Board Members that do an exceptional job putting on a great season of golf for all the members. If I am re-elected, I will continue working for the members and helping the Board to having a great 2024-25 season's in any way I can.

Doug Moore

I have been an active tournament member of the Lone Tree Men's Club for many years and a board member for the last few. I have held various rolls on the board from president, treasurer, sponsorship and social through the years. Additionally, for the latest few years I have served on the tournament committee administering various tournaments every year through Golf Genius. I enjoy serving the membership and working with the golf course to deliver the best amateur tournament experience we can offer at Lone Tree. Aside from the tournament director role and on the social front, I piloted the successful Music on the Patio event we held for members and wives in late July in conjunction with the member-member tournament . I would like to continue my board service to further improve your member experience and ask for your support.

Thank you
